1. Authorized uses

Background Music

The licensee may use the music in the background of original created projects by the licensee. Such as: films, videos, yoga classes, podcasts, guided meditations, and guided hypnosis. The created project by the licensee must be clearly different from the original music by the licensor.

Sell, Monetize, Distribute

The licensee may monetize, sell, and distribute the music as a background track in an original created project by the Licensee. The created project by the licensee must be clearly different from the original music by the licensor and the music may not be sold as music track only. You may not use services such as 'Content ID matching' and/or 'Sync. Licensing' or use services of companies like Audiam that offer tracking software.

Live Streaming

The licensee may use the music for various kinds of live video meetings or live streaming's, such as Skype, Zoom, and Youtube Live, if it is used as a background track.

Clients and Patients

The licensee may use the purchased music during sessions with their clients or patients. For example, to use it for a guided meditation, hypnosis, or yoga class.

Edit the Music

The licensee may edit the music if necessary. For example: looping it, cutting it, applying fade-ins and fade-outs. This also applies for use in your app provided the audio is not being looped and/or repeated automatically.

Add Sounds

The licensee may add sounds such as nature sounds, voice recordings, surrounding sounds, or brainwave frequencies. However, you may not add musical instrumentation or vocal melodies. For example, you cannot add a guitar, piano, vocal line, or choir.

2. Disallowed uses

Selling or streaming the music as music track only

The licensee may not sell, stream, or distribute the music as a music track only. It may only be used as a background track in an original created project by the Licensee.

Remix, mashup, or make vocal versions

The licensee may not create adaptations like a remix, mashup, or vocal version of the music.

Sub-Licensing music

The licensee may not sell the purchased music by granting a license or transfer rights to a third party. The music can only be used by the licensee.

Sending the music to others

The licensee may not share/transmit the purchased music with others unless they are part of the licensee's business and/or part of the creation of the project that you use the purchased music for.

3. Intellectual Property and Copyright
